

Dear family, friends and followers,

2019 draws to an end and we pause for a moment and look back at all that has happened this past year. It was a exciting year! We praise ourselves lucky that we have a God that leads us and takes care of us. In Fintinele we we-

re able to help a lot of people this past year. We are grateful to our God that he wants to use us tot this end. All things we have undertaken is thanks to your support in the form of prayer, financially or otherwise, but above all through

the strenght of our beloved Lord. When we think of the care given to Geotрге, the children-afternoons, the shop in which Corina has found a job, it fills us with joy. But also on Daniel who is in a AA program and is our maintenance guy. Then we have lby and don't forget the support of the elderly in two old peoples homes. We are grateful to our Lord for the blessings He bestows on us and the aid we receive over and over again. But there were also heavy

things and great changes that took place: our car-accident and the cooperation with foundation Romadopt. But we see God working through all this. And now the cooperation with foundations Antipas, Gold and the PKN church in Barneveld, The Netherlands and many others we see as an acknowledgement that the work here in Fintinele is not finished yet. When looking back we feel really blessed. We want to thank you all for your support this past year and we pray and wish you a pleasant X-mas and a abundant 2020.

Highlights

We were very surprised by a sponsor from Alphen aan den Rijn and the PKN church from Harskamp. They organised a shoebox action together with the children from the village Harskamp. These boxes with their nice content are to be handed over to the children of our local for church. Many thanks fort his nice initiative, the children will be pleased with it.

2020

We like to give you a insight in what we expect this coming year. We are going to move the shop to another location and are about to receive a new van suitable for transport of disabled persons such as Gheorghe. With this van he can go out and preach in churches were he is invited to come and speak. We want to use the van also for other disabled people to give them the opportunity to get out. Why are we moving the shop you might ask, well we want to enlarge our offer with bikes and the like and need more space for that. We might then employ someone else aswell. But in the meantime we pray for more turnover so we can help more people and so spread the light of the gospel. With these two blessings we close our letter, but not without a large thank you and Multumesc for all you ment to us in 2019. We wish you a rich 2020 and look forward to continue our cooperation in the coming year.
